

CENTENNIAL PEAKS HOSPITAL

Section 504 - Notice of Program Accessibility

The regulation implementing Section 504 requires that an agency/facility “...adopt and implement procedures to ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of services, activities, and facilities that are accessible to and usable by disabled persons.” (45 C.F.R. §84.22(f))

Centennial Peaks Hospital and all of its programs and activities are accessible to and usable by a person with a disability, including persons who are deaf, hard of hearing, or blind, or who have sensory impairments. Access features include:

- Convenient off-street parking designated specifically for a person with a disability.
- Curb cuts and ramps between parking areas and buildings.
- Level access into hospital.
- Full accessible offices, meeting rooms, bathrooms, public waiting areas, cafeteria, patient treatment areas and patient wards.
- A full range of assistive and communication aids provided to persons who are deaf, hard of hearing, or blind, or with other sensory impairments. There is no additional charge for such aids. Some of these aids include:
 - Qualified sign language interpreters for persons who are deaf or hard of hearing.
 - A twenty-four (24) hour telecommunication device (TTY) which can connect the caller to all extensions within the facility, for use by persons who are deaf, hard of hearing, or speech impaired.
 - Readers and computer based audio files for the blind or visually impaired
 - Communication boards
 - Assistive devices for persons with impaired manual skills

If you require any of the aids listed above, please let your nurse know.
